

Corso di Studi in Ingegneria Chimica  
Università degli Studi di Napoli Federico II

## VADEMECUM FOR INTERNATIONAL STUDENTS

### *Application to the MSc in Chemical Engineering – University of Naples Federico II*

If you are a foreign student interested in applying to the Master of Science in Chemical Engineering, please follow the steps below carefully:

Send your application by email to: [infoingchim@unina.it](mailto:infoingchim@unina.it)

Subject: Application – MSc Chemical Engineering [Your Full Name]

Attach the following documents in PDF format:

1. Passport (valid)
2. Curriculum Vitae (CV)
3. Bachelor's Degree Diploma
4. Transcript of Records (with courses and grades)
5. English Language Certificate (B1 minimum)

*One of the following internationally recognized English certificates is required:*

- IELTS (Academic or General) – overall score corresponding to B1 or above
- TOEFL iBT – minimum score: 42
- Cambridge English: PET (Preliminary), or higher (FCE, CAE, CPE)
- Trinity College London: ISE I or higher
- Other official certificates recognized as B1 or above under the Common European Framework of Reference (CEFR)

*Note: If your Bachelor degree was fully taught in English, you may provide an official statement from your university instead of a certificate.*

All documents must be in English or accompanied by a certified English translation.  
After the initial check, you may be contacted for an interview or further steps.

We look forward to welcoming you to Naples!

Prof. Almerinda Di Benedetto

*Full Professor of Chemical Engineering
